I am a software engineer having completed a BSC. Software Engineering course at Kirinyaga University. I aim to use and obtain more skills in my career line and be effective in all my responsibilities. I am passionate about learning and gaining more experience. I also love working as part of a team.

EDUCATION

Kirinyaga University: 2019 – 2023   Software Engineering

SKILLS

- Computer maintenance(hardware and software installation, troubleshooting and repairs).
- Network testing, installations, repairs, and maintenance (configuring routers and access points and also testing network devices and cables for faults) and computer maintenance.

- Frameworks: Flask, Django, Angular
- Tooling: Git and GitHub, Anaconda, QGIS, ArcGIS
- Programming Languages: Python, PHP, JavaScript
- Structure: HTML/CSS
- Computer maintenance and repairs.

EXPERIENCE

INDUSTRIAL ATTACHMENT: KENYA SCHOOL OF TVET, Gigiri Nairobi
2022 May – 2022 September, 2023 May – 2023 September: ICT assistant. I learned more about networking devices, computer maintenance, how to work with others as an IT professional, and fulfilling customer requirements
